AND REVIEW COMMISSION**

CLAY P. FRIIS,	)

	)	
v.	)	DECISION AND ORDER
	)	AFFIRMING THE DECISION OF
DOUGLAS COUNTY BOARD OF	)	THE DOUGLAS COUNTY BOARD OF
EQUALIZATION,	)	EQUALIZATION
	)	
Appellee.	)	

The above-captioned case was called for a hearing on the merits of an appeal by Clay P. Friis ("the Taxpayer") to the Tax Equalization and Review Commission ("the Commission"). The hearing was held in the Commission's Hearing Room on the sixth floor of the Nebraska State Office Building in the City of Lincoln, Lancaster County, Nebraska, on December 3, 2008, pursuant to an Order for Hearing and Notice of Hearing issued October 8, 2008. Commissioners Warnes and Salmon were present. Commissioner Warnes was the presiding hearing officer. Commissioner Wickersham was excused from participation by the presiding hearing officer. A panel of three commissioners was created pursuant to 442 Neb. Admin. Code, ch. 4, §011 (10/07). Commissioner Hotz was absent. The appeal was heard by a quorum of a panel of the Commission.

Clay P. Friis was present at the hearing. No one appeared as legal counsel for the Taxpayer.

Thomas S. Barrett, a Deputy County Attorney for Douglas County, Nebraska, was present as legal counsel for the Douglas County Board of Equalization ("the County Board").

The Commission took statutory notice, received exhibits, and heard testimony.

The Commission is required to state its final decision and order concerning an appeal, with findings of fact and conclusions of law, on the record or in writing. Neb. Rev. Stat. §77-5018 (Cum. Supp. 2006). The final decision and order of the Commission in this case is as follows.

**I.  
ISSUES**

The Taxpayer has asserted that actual value of the subject property as of January 1, 2007, is less than actual value as determined by the County Board. The issues on appeal related to that assertion are:

Whether the decision of the County Board determining actual value of the subject property is unreasonable or arbitrary; and

The actual value of the subject property on January 1, 2007.

The Taxpayer has asserted that taxable value of the subject property as of January 1, 2007, is not equalized with the taxable value of other real property. The issues on appeal related to that assertion are:

Whether the decision of the County Board determining the equalized taxable value of the subject property is unreasonable or arbitrary;

Whether the equalized taxable value of the subject property was determined by the County Board in a manner and an amount that is uniform and proportionate as required by Nebraska's Constitution in Article VIII §1; and

The equalized taxable value of the subject property on January 1, 2007.

**II.  
FINDINGS OF FACT**

The Commission finds and determines that:

1. The Taxpayer has a sufficient interest in the outcome of the above captioned appeal to maintain the appeal.
2. The parcel of real property to which this appeal pertains ("the Subject Property") is described in the table below.
3. Actual value of the subject property placed on the assessment roll as of January 1, 2007, ("the assessment date") by the Douglas County Assessor, value as proposed in a timely protest, and actual value as determined by the County Board is shown in the following table:

**III.  
APPLICABLE LAW**

1. Subject matter jurisdiction of the Commission in this appeal is over all questions necessary to determine taxable value. Neb. Rev. Stat. §77-5016(7) (Supp. 2007).
2. “Actual value is the most probable price expressed in terms of money that a property will bring if exposed for sale in the open market, or in an arm’s length transaction, between a willing buyer and a willing seller, both of whom are knowledgeable concerning all the uses to which the real property is adapted and for which the real property is capable of being used. In analyzing the uses and restrictions applicable to real property the analysis shall include a full description of the physical characteristics of the real property and an identification of the property rights valued.” Neb. Rev. Stat. §77-112 (Reissue 2003).
3. Actual value may be determined using professionally accepted mass appraisal methods, including, but not limited to, the (1) sales comparison approach using the guidelines in section 77-1371, (2) income approach, and (3) cost approach. Neb. Rev. Stat. §77-112 (Reissue 2003).

4. “Actual value, market value, and fair market value mean exactly the same thing.”  
*Omaha Country Club v. Douglas County Board of Equalization, et al.*, 11 Neb.App. 171, 180, 645 N.W.2d 821, 829 ( 2002).
5. Taxable value is the percentage of actual value subject to taxation as directed by section 77-201 of Nebraska Statutes and has the same meaning as assessed value. Neb. Rev. Stat. §77-131 (Reissue 2003).
6. All taxable real property, with the exception of agricultural land and horticultural land, shall be valued at actual value for purposes of taxation. Neb. Rev. Stat. §77-201(1) (Cum. Supp. 2006).
7. “Taxes shall be levied by valuation uniformly and proportionately upon all real property and franchises as defined by the Legislature except as otherwise provided in or permitted by this Constitution.” *Neb. Const.*, Art. VIII, §1.
8. Equalization to obtain proportionate valuation requires a comparison of the ratio of assessed to actual value for the subject property and comparable property. *Cabela's Inc. v. Cheyenne County Bd. of Equalization*, 8 Neb.App. 582, 597 N.W.2d 623 (1999).
9. Uniformity requires that whatever methods are used to determine actual or taxable value for various classifications of real property that the results be correlated to show uniformity. *Banner County v. State Board of Equalization*, 226 Neb. 236, 411 N.W.2d 35 (1987).
10. Taxpayers are entitled to have their property assessed uniformly and proportionately, even though the result may be that it is assessed at less than the actual value. *Equitable Life v.*

*Lincoln County Bd. of Equal.*, 229 Neb. 60, 425 N.W.2d 320 (1988); *Fremont Plaza v. Dodge County Bd. of Equal.*, 225 Neb. 303, 405 N.W.2d 555 (1987).

11. The constitutional requirement of uniformity in taxation extends to both rate and valuation. *First Nat. Bank & Trust Co. v. County of Lancaster*, 177 Neb. 390, 128 N.W.2d 820 (1964).
12. In the evaluation of real property for tax purposes, where buildings and improvements are taxable as a part of the real estate, the critical issue is the actual value of the entire property, not the proportion of that value which is allocated to the land or to the buildings and improvements by the appraiser. *Bumgarner v. Valley County*, 208 Neb. 361, 303 N.W.2d 307 (1981).
13. If taxable values are to be equalized it is necessary for a Taxpayer to establish by clear and convincing evidence that valuation placed on his or her property when compared with valuations placed on similar property is grossly excessive and is the result of systematic will or failure of a plain legal duty, and not mere error of judgement. There must be something more, something which in effect amounts to an intentional violation of the essential principle of practical uniformity. *Newman v. County of Dawson*, 167 Neb. 666, 94 N.W.2d 47 (1959).
14. A presumption exists that the County Board has faithfully performed its duties and has acted on competent evidence. *City of York v. York County Bd. Of Equalization*, 266 Neb. 297, 64 N.W.2d 445 (2003).
15. The presumption in favor of the county board may be classified as a principle of procedure involving the burden of proof, namely, a taxpayer has the burden to prove that

action by a board of equalization fixing or determining valuation of real estate for tax purposes is unauthorized by or contrary to constitutional or statutory provisions governing taxation. *Gordman Properties Company v. Board of Equalization of Hall County*, 225 Neb. 169, 403 N.W.2d 366 (1987).

16. The presumption disappears if there is competent evidence to the contrary. *Id.*
17. The order, decision, determination, or action appealed from shall be affirmed unless evidence is adduced establishing that the order, decision, determination, or action was unreasonable or arbitrary. Neb. Rev. Stat. §77-5016 (8) (Cum. Supp. 2006).
18. Proof that the order, decision, determination, or action was unreasonable or arbitrary must be made by clear and convincing evidence. See, e.g. *Omaha Country Club v. Douglas Cty. Bd. of Equal.*, 11 Neb.App. 171, 645 N.W.2d 821 (2002).
19. "Clear and convincing evidence means and is that amount of evidence which produces in the trier of fact a firm belief or conviction about the existence of a fact to be proved." *Castellano v. Bitkower*, 216 Neb. 806, 812, 346 N.W.2d 249, 253 (1984).
20. A decision is "arbitrary" when it is made in disregard of the facts and circumstances and without some basis which could lead a reasonable person to the same conclusion. *Phelps Cty. Bd. of Equal. v. Graf*, 258 Neb 810, 606 N.W.2d 736 (2000).
21. A decision is unreasonable only if the evidence presented leaves no room for differences of opinion among reasonable minds. *Pittman v. Sarpy Cty. Bd. of Equal.*, 258 Neb 390, 603 N.W.2d 447 (1999).

22. “An owner who is familiar with his property and knows its worth is permitted to testify as to its value.” *U. S. Ecology v. Boyd County Bd. Of Equalization*, 256 Neb. 7, 16, 588 N.W.2d 575, 581 (1999).
23. The County Board need not put on any evidence to support its valuation of the property at issue unless the taxpayer establishes the Board's valuation was unreasonable or arbitrary. *Bottorf v. Clay County Bd. of Equalization*, 7 Neb.App. 162, 580 N.W.2d 561 (1998).
24. A Taxpayer, who only produced evidence that was aimed at discrediting valuation methods utilized by the county assessor, failed to meet burden of proving that value of property was not fairly and proportionately equalized or that valuation placed upon property for tax purposes was unreasonable or arbitrary. *Beynon v. Board of Equalization of Lancaster County*, 213 Neb. 488, 329 N.W.2d 857 (1983).
25. A Taxpayer must introduce competent evidence of actual value of the subject property in order to successfully claim that the subject property is overvalued. Cf. *Lincoln Tel. and Tel. Co. v. County Bd. Of Equalization of York County*, 209 Neb. 465, 308 N.W.2d 515 (1981); *Arenson v. Cedar County*, 212 Neb. 62, 321 N.W.2d 427 (1982) (determination of equalized taxable value) *Josten-Wilbert Vault Co. v. Board of Equalization for Buffalo County*, 179 Neb. 415, 138 N.W.2d 641 (1965) (determination of actual value).

#### **IV. ANALYSIS**

The subject property is an improved residential property of 4.4 acres in land size with a ranch style house built in 1969 and has 3,885 square feet of living area. (E2:2). The house is rated as good in quality and very good in condition. (E3:1).

The Taxpayer has not put into dispute the assessed valuation of the improvements to the subject property for 2007. His dispute is solely with the assessed valuation of the land only. The Taxpayer testified that his neighbors property has 4.7 acres and the land alone is assessed for a valuation for 2007 at \$65,000 and the land of the subject property is assessed at \$154,000. His testimony was that his neighbor's property is located at 11115 N. Post Road and shares a common boundary with the subject property. The Taxpayer did not provide the property record file for this property in accordance with the Commission's Order for Hearing, Item 13. The Commission is not able to make a comparison between the subject property, Exhibit 3 and the neighbors property at 11115 N. Post Road. In addition, the testimony of the Taxpayer was that only 2.2 acres of the total land of the subject property does not have an improvement on it. The total amount of land, 4.4 acres, of the subject property is assessed for 2007 at \$154,000 which is \$35,000 per acre.

The Taxpayer provided five comparables which he testified were allegedly comparable to the subject property. (E6). The Taxpayer provided MLS listings for these five parcels and not the property record cards as required by the Commission's Order for Hearing, Item #13. The first problem with the evidence of alleged comparable parcels is that without the property record files for the alleged comparable parcels, the Commission is not able to compare directly the land of the subject property to the comparables. A second problem with the Taxpayers Exhibit 6 is that the sales are after January 1, 2007, as shown below. The Commission must weigh the probative value of these sales with lesser weight being given to those sales furthest from the January 1, 2007, date.

Address	13636 Shonagas	12175 N 60	14910 N 32 nd Ave	13809 N 332 Ave	12487 Calhoun RD
<b>Date of Sale</b>	<b>12/1/2007</b>	<b>5/24/2007</b>	<b>7/18/2008</b>	<b>8/2/2007</b>	<b>12/1/2007</b>
Sale Price	\$75,000	\$83,000	\$100,000	\$155,000	\$139,000
Size of Parcel	5 acres	4.938 acres	7.64 acres	10.82 acres	10 acres
Sale Price/Acre	\$15,000	\$16,808	\$13,000	\$14,325	\$13,900

The third concern is that the land of the subject property has improvements located on a portion of it. Testimony by the Taxpayer was that as much as 50% of the 4.4 acres has improvements on it. The Commission cannot tell what is on the parcels alleged to be comparable.

A fourth concern is that the Taxpayer testified that the value of the land of the subject property has been enhanced by the addition of a septic system, water and landscaping. The Commission cannot tell if any of these attributes exist on the five alleged comparable parcels.

The Commission cannot speculate or make assumptions. The burden to provide evidence rests with the Taxpayer.

The Commission finds that the Taxpayer has neither rebutted the presumption by competent evidence that the County Board of Equalization (CBOE) faithfully performed its duties or that it had sufficient competent evidence to make its decision nor did he prove by clear and convincing evidence that the decision was arbitrary or unreasonable. The appeal of the Taxpayer is denied.

**V.  
CONCLUSIONS OF LAW**

1. The Commission has subject matter jurisdiction in this appeal.
2. The Commission has jurisdiction over the parties to this appeal.
3. The Taxpayer has not produced competent evidence that the County Board failed to faithfully perform its official duties and to act on sufficient competent evidence to justify its actions.
4. The Taxpayer has not adduced sufficient, clear and convincing evidence that the decision of the County Board is unreasonable or arbitrary and the decision of the County Board should be affirmed.

**VI.  
ORDER**

**IT IS ORDERED THAT:**

1. The decision of the County Board determining actual value of the subject property as of the assessment date, January 1, 2007, is affirmed.
2. Actual value, for the tax year 2007, of the subject property is:

Land value           \$154,000.00

Improvement value \$295,900.00

Total value           \$449,900.00.

3. This decision, if no appeal is timely filed, shall be certified to the Douglas County Treasurer, and the Douglas County Assessor, pursuant to Neb. Rev. Stat. §77-5018 (Cum. Supp. 2006).

4. Any request for relief, by any party, which is not specifically provided for by this order is denied.
5. Each party is to bear its own costs in this proceeding.
